RARE.

YOUR SUCCESS IS OUR SUCCESS

At RARE, we care about our clients. Our dedicated team leaders will analyze social media feeds, twitter accounts, and build biographical information to generate full-detail briefing reports for our agents to understand our content creators' lifestyles, voice, chat style, commonly used emojis and more.

Our account managers listen and react efficiently to client requests and time schedules. We understand best practice from experience and data working with the top in the industry to help clients decide when their preferences are best practice.

Our strict privacy and policy enforcement protocols ensures confidentiality and avoids data breaches.

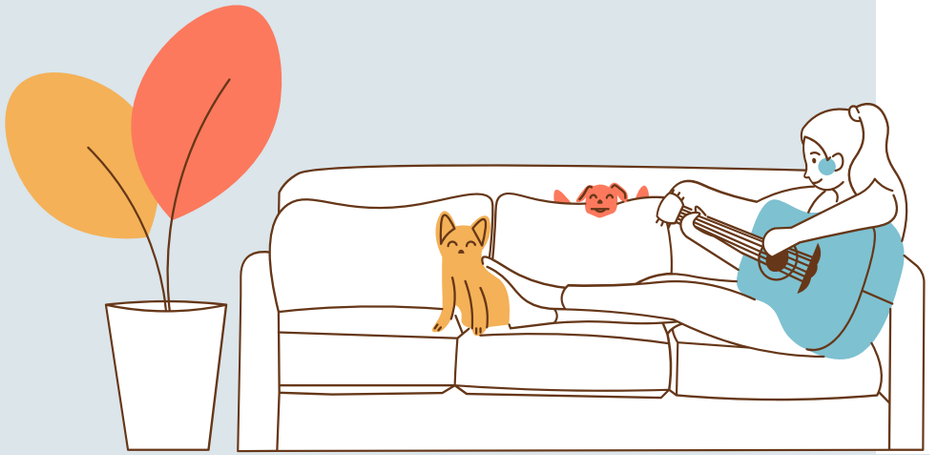
INDUSTRY LEADING RESPONSE TIMES

Our expert team uses industry data backed best practice to entertain subscribers and encourage maximum revenues.

With industry leading response times... get your subscribers where they want to be at just the right time for the maximum tips.

Never leave a potential tipper unanswered again.

RARE OPERATION LEADERS



CONTENT MANAGERS

Our advert specialists manage client posts to encourage lifetime value as well as private message adverts to drive engagement and increased revenues from fans.

TEAM LEADERS

Our Team Leaders work with VIPs and act as a quality assurance filter to ensure all agents meet their key performance metrics.

They are the primary point of content for creators.

COACHING SPECIALISTS

Our coaching team continuously provides training knowledge for our agents to improve performance.

Their academy system encourages growth over time and avoids stagnation and lost customers.

RARE.

QUALIFIED CREATORS ONLY

Our agency only works with qualified, dedicated creators.
In addition to requiring a pre-approved invitation, our core requirements are the following:

CONTENT REQUIREMENTS

MANAGEMENT ACCESS TO ASSETS

SIGNED AGREEMENTS (NO LOCKED IN CONTRACTS)

RARE.

CONTENT REQUIREMENTS

We require our creators to cooperate with us in generating content in specific formats to enable us to optimally manage and monetize.

1. At least 1 full static picture set per week
2. Short lifestyle videos and update clips
3. Assorted tiers of new picture/video content for messages
4. Featured highlight content for promotion

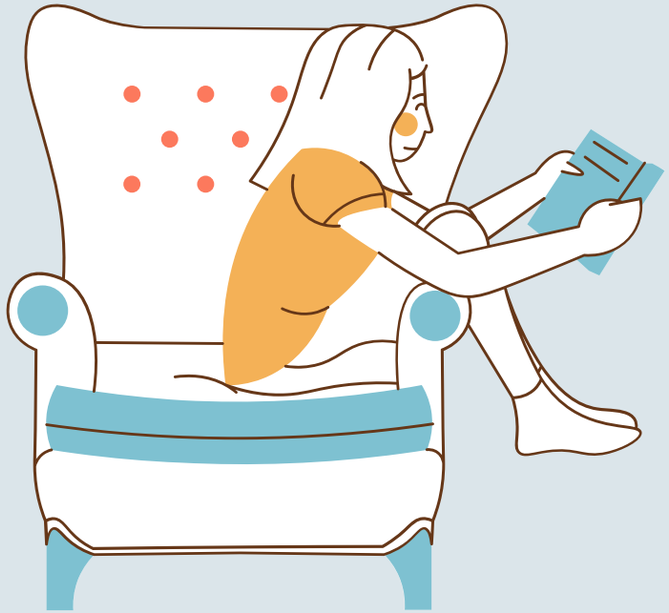
RARE.

MANAGEMENT ACCESS TO ASSETS

We require access to your exclusive content profile, content, and specific data assets to represent and manage your account. Safety and privacy are our top priority.

1. We require image & video content to be deposited in a dedicated locked client asset folder that we organize and manage.
2. Exclusive content profile login credentials safeguarded with us.
3. Payment card details provided to our secure finance records for hands-free monthly invoicing.

RARE.



SIGNED AGREEMENTS (NO LOCKED IN CONTRACTS)

We require creators to legally authorize our team to directly represent them on their exclusive content platforms.

We have no locked in contracts after a minimum trial of 60 days, creators can inform us anytime to end the service.

This ensures our team will consistently provide high quality results with your best interest in mind. We require 60-90 days to fully optimize an account to yield best results although most will see results within the first 3 weeks.

WORK LESS, MAKE MORE

Our dedicated team of industry professionals thoughtfully manages your accounts for you, with best practice and data backed results.

Let's make more money together.

LESS WORK, MORE FREEDOM
